Subject: Briefing on LUB GWMA

Jeff,

I'm going to work with the RA's office (Pam) to set up a briefing for Anna Wildeman and David Ross, hopefully next week. Carol King and OECA have offered to be present and help. For the purposes of the RA's meeting invitation, who should I include for ECAD/OECA. I'd like to shoot a note to Pam today, if you are able to consider this and respond.

I'll draft the briefing paper and set up a coordination meeting with you, Peter, Cara and Clark to coordinate the flow. I plan to lead the framing and intro, but at some point, I think that the nuance of 1431 authority should be addressed outside of the Water Division. I can explain my thinking more when we talk.

Thanks,
Mat
